

## VIEWING

There will be public viewing for the forthcoming auction on Thursday 15th and Friday 16th April from 10am to 6pm (last entry 5:30pm). Facemasks (unless an exemption certificate is shown), social distancing and checking in with the NHS test and trace app, or providing contact details, will be compulsory for anyone coming into the saleroom. We may limit the number of people in the saleroom, if necessary for social distancing.

All lots are detailed with over 1500 photographs on our website. If lots are of particular interest, and you are unable to view, you are encouraged to ask for verbal and written condition reports, with extra photographs of items if necessary. These reports will be carried out as swiftly as possible.

## BIDDING

The auction will be open to the public subject to the conditions above. You can also bid by the following six methods:

### A Leave bids on-line on our website.

Bids must be made in advance, there is NO LIVE BIDDING on our website. Whatever price you leave, we will try and execute it as economically as possible, so leaving a maximum bid does not mean that you have to pay that amount.

### B You can bid by telephone on the day.

Please make arrangement beforehand for this service, so that we can ring you back at the appropriate time. Phone bids are only accepted on lots estimated at over £100.

### C You can bid live via [thesaleroom.com](https://thesaleroom.com)

### D You can bid live via [ukauctioneers.com](https://ukauctioneers.com)

You can watch the auction as it happens from home on your screen, with a visual and audio connection to the auction room, and bid with the click of a mouse. With both of these platforms you need to register first, but it is very simple.

With [the-saleroom.com](https://thesaleroom.com) you pay an additional 5% plus VAT and with [ukauctioneers.com](https://ukauctioneers.com) you pay an additional 3% plus VAT, or £3.95 and then get unlimited bidding.

### E Autobid.

Both of the above platforms let you leave your maximum bids on items, very much like leaving bids on our own website, but obviously more expensive as they charge a similar commission (as above) for this service.

### F Post or email your bid form directly to the saleroom.

You can print a form from our website and fill it in by hand. We must receive all hard copy forms by Friday at the latest so make sure you post them in good time.

## PAYMENT

We request all items are paid for swiftly after the auction. Payment can be made by BACS, and by card over the telephone, or on collection (see below).

## COLLECTION

We will maintain social distancing conditions in the saleroom for collections, as described above. We will be open for collections from 10am to 12 noon on Sunday after the sale and from 9am to 5pm Monday to Friday. Where possible, if you live locally please collect your items from the sale room, no later than the end of the week following the sale. Please bring a friend to help lift heavier items.

We can pack and post smaller items in house, carried out "at cost". We usually manage to send out parcels within a week of purchase. We use several carriers, who can provide quotations for delivery throughout the UK.
